STS and Peter Schmeichel at iGB Affiliate London

STS – the biggest bookmaker in Poland and now operating in several European countries – will be present at iGB Affiliate London (stand N28). There will also be a special guest, the global ambassador of STS, which is the legendary Peter Schmeichel. The former Manchester United and Denmark goalkeeper has been cooperating with STS since November 2019 in all European countries where the bookmaker operates. Peter Schmeichel is the face of the ongoing campaign "Bet with the leaders".

The global ambassador of our "Bet with the leaders" campaign, is Peter Schmeichel, an award-winning figure well known throughout the world. The footballer with Polish roots is a perfect example of the fact that fortune favours the brave. He took up the challenge of playing abroad, which turned out to be a path to numerous successes in the sports world. This is incredibly close to our philosophy regarding the international expansion of STS. We are happy that he will also be present at our stand at iGB Affiliate London – Mateusz Juroszek, CEO of STS.

STS is one of the leaders on an all-European scale, with international ambitions, hence the slogan, "Bet with the leaders". STS is a company with a strong affinity to sports, resolutely supporting it in Poland by being the largest private sponsor in the country. STS is present in practically all sports arenas, engaging sports fans through numerous special activities. STS is distinguished by the fact that it primarily focuses on supporters while appreciating their skills and knowledge – Peter Schmeichel, ambassador of STS.

STS has increased its revenues more than tenfold – **from EUR 70 million to EUR 750 million** – in the last several years. **STS expanded its business to European markets in February 2019.** The bookmaker's offer is available in **several European countries**. STS is the first Polish bookmaker to start operating outside of Poland, and the company has plans for further international expansion. Currently, **STS holds a 45% share in the Polish bookmaking market**, and 80% of its revenues are generated by online channels such as applications dedicated to Android and iOS as well as the website and the mobile version of the website.
